

Durajpally, SURYAPET - 508 213, Dist. Suryapet.

Dear Parents & Students,

Greetings.

I have received a number of calls regarding the studies of students. It is to bring to your kind notice that the Syllabus for classes from 5th to 8th was completed as per Almanac(Schedule), revision was done and annual exams were conducted for all the classes. Valuation of answer scripts was completed, and progress cards are ready for the distribution.

Dear Parents, MSRCS has successfully completed the academic year 2019-20. NCERT /CBSE has already reduced some syllabus and it had released “alternate academic calendar” for all classes. Therefore, all the parents are requested to direct and guide students in using NCERT / CBSE Academic calendar and also download ‘DIKSHA” a mobile app for learning.

Once the school reopens, we will take care of the students.
